THE BGGC STATE ACHIEVEMENTS 1992-2016

The State Records

The USA Gymnastics hosts an Official Illinois State Championships annually. All Illinois Clubs are represented and compete at various levels and age groups. BGGC has kept the records of the State Champions on each of the 6 competitive events, All-Around, and Team.

The Team Score is commonly derived from the Top 3 individual scores on each of the 6 events. The Team is comprised of boys competing in designated age groups within a specific competition Class or Level. There are competitions that will combined age groups creating a larger mixed age group team. BGGC has had many 2nd and 3rd place finishes, However our records will list only the State Teams Placing 1st in a given year.

USAG REGIONAL TEAM MEMBERS

The top 6 All-Around Athletes at Class III, II, and I are selected to represent Region V at the J.O. National Championships. This is the same for Levels 9 (12-13), 10 (14-15) and 10 (16-18). These athletes compete for both the Club and Region V. The last 6 Man JO Regional Team Competition was held in 2012.

Beginning in 2013, the JO Regional Team was represented by everyone that qualified to the JO Nationals. The top 3 scores are tallied among everyone entered per age group and level. The 2014 & 2015 tallied only those from the JE division.

Beginning in 2013 there are no further records listed for Regional Team Members representing Region 5 at JO Nationals.

BGGC J.O. NATIONAL ACHIEVEMENTS 1992-Present

The J.O. National Records

USA Gymnastics hosts an Official Junior Olympic National Championships annually. Qualified athletes advance from each of the 9 regions. BGGC has kept the records of the top 6 J.O. National place finishers on the 6 competitive events, and top 10 All-Around. The National Club Team Place Finishers will be listed having placed among the top 10 Teams.

In 2013, separate competition divisions of J.O. and J.E. were created. The J.O. division competes optional only, and the J.E. division competes Optional and Technical Sequences. These two divisions are awarded separate awards, However the J.O. and J.E. scores are combined for the Club Team Award.

USAG JUNIOR NATIONAL DEVELOPMENT TEAM MEMBERS

The National Development Team has gone through several phases. It's beginning was simply a skill testing program named the Olympic Development Program (ODP). Athletes were selected to the Junior National Team based on a set of skills. In 1995 the program was reevaluated and renamed the Future Stars Program (FS). The FS Program was reformatted to a competitive based format and moved away from Individual Skill Testing. It retained the identification of athletes and selection to training camps.

GRADUATING SENIOR ATHLETES / BGGC TEAM MEMBERS 1992-Present

BGGC takes great pride in the development of its athletes that continue their gymnastics beyond the Junior Program. Our graduating seniors often attend college with Gymnastics Athletic Scholarships. Although the field of opportunity is a small one, many of our athletes have gone on to colleges where they continued their gymnastics at the NCAA, and USAG Senior Level.
